I am a Web Developer working in MongoDB, Express, React, Node.js, JavaScript, Ruby, HTML and CSS. I used to be an account manager at a business management firm in the entertainment industry. Working with strict deadlines and resolving any problems clients have, no matter how big or small.

Coffee Coffee Coffee.

## TECHNICAL SKILLS

MongoDB | Express | React | Node.js | JavaScript | SQL | AJAX | Ruby on Rails  
Ruby | Git & GitHub | Agile | jQuery | HTML5 | CSS3

## PROJECTS

**Wee.db.ase:** Created a cannabis database and forum in a five-day sprint. Whether you're new to cannabis, a medical marijuana patient, or a seasoned consumer, Wee.db.ase is a perfect place for you! Technologies used: MongoDB, Express, React, Node.js, Axios, JavaScript, CSS3 and Semantic UI.

**Posttr:** This was a group project in which we created a single page app in a four-day sprint. If signed in, users can create, edit and delete their posts, see other users posts in the main feed and chat with users online. We used Node.js, Express, JavaScript, jQuery, JSON, Bootstrap, API, HTML5, CSS3.

**AAroundLA:** Goal for this project was to give users a quick and easy way to find and rate AA meetings in their area. It was done in a five-day sprint. I used Ruby on Rails (framework), PostgreSQL (database), Heroku (deployment), Bootstrap, HTML5 and CSS3.

**Finger Smasher:** Created a two-player game using HTML5, CSS3 & JavaScript in a four day sprint. Arrows quickly flash on the screen and users have to press the corresponding arrow key as many times as it blinks.

## EXPERIENCE

### **MSPL/MGO, Beverly Hills**– *Account Manager*

2008 – 2016

- Reconciled monthly cash flows by making sure our records matched all the bank statements. Then sent clients copies on the 1st of every month showing how much money came in and how much they spent.
- Prepared quarterly financial reports that included balance sheets, income statements, cash flow statements and owners' equity statements.

## EDUCATION

**General Assembly, Santa Monica** – *Web Development Immersive* – 2018

**University California Los Angeles** – *B.A. in History* – 2007
